

THE HOLY SPIRIT

'And you shall receive power when the Holy Spirit comes upon you...

Acts 1:8

Lord, You are so special to us. Thank you for every single blessing in my life. We may not be able to see our friends and family right now but we ask that you bless them and keep them safe. Please protect us against everything the devil tries to make us do that would hurt you. Thank for our parents and families. Thank you for the warm bed and the food we eat. We think of those who don't have and we ask you to provide for them please.

In Jesus' Name we pray. Amen

It's story TIME

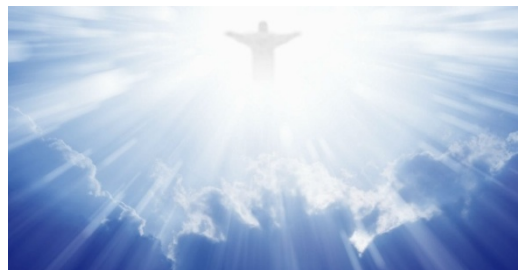

It was 10 days since Jesus had been taken up into heaven. His friends were together waiting as He had asked them to, when suddenly the house was filled with the sound of a strong wind that was coming from heaven.

The Holy Spirit (Acts 2)

Jesus' friends could not believe what was happening. They were inside the house and there was this strong wind. How did it get inside the house? They looked around them and were shocked to see that something that looked like fire was on top of each of their heads. They had been filled with that wind that God had sent from heaven. It helped them know how to speak all the different languages of the world. They just knew how to without reading a book or being taught. They are scared and excited!

People heard them screaming and jumping around and they started to come to the house to see what was going on. They were also very excited when they heard that the disciples could speak different languages! They asked the disciples what happened, how could it be that they could speak so many languages. They started to tease and make fun of the disciples saying that they had too much to wine and beer to drink.

But Peter told them that they had been filled up with the Holy Spirit and that God had done this so that they could tell all the people all over the world about heaven and the love of Jesus. Jesus died so you can see that this is not one of his miracles but all part of God's plan. Peter told them that what happened to Jesus made God very angry but if they said they were sorry and that believed that Jesus Christ is Lord that they would be forgiven and also receive the gift if the Holy Spirit. He told them that God promises them that if they believe in Jesus and say they are sorry for all the things they have done wrong, they will get into heaven. This was God's gift for everyone!

Reflection: Even though God and Jesus are both up in heaven, the Holy Spirit is still with us, helping us make sure we do things that God would us to do. We need to remember that we need to use it every day to make sure that the world knows about Jesus, God and heaven. The Holy Spirit is a gift that we need to use all the time.
