

THE FRUIT OF THE HOLY SPIRIT

Father God, thank you for everything you have blessed us with. We thank you for the warm bed, the food in our tummies and the love. We know that everything that we have is because of and from you. The Bible teaches us so many things. We pray that we will do as your Word says. Thank you for our parents, family and friends. Please bless and keep them safe. In Jesus' name, Amen.

It's story TIME

We talked about the Holy Spirit that came down from heaven. And that with it, it brought many different, wonderful things for us to use to do God's work and tell people about him. God wants us to be like His son Jesus. This week we are going to talk about how we can do that.

The Fruit Of The Spirit (Galatians 5)

Love – love is very important to God. He shows us how much He loves us, first by sending His Son to be with us and die on the cross to forgive our sins. He also gave us the Bible and the Bible is full of stories of how we need to love each other, and love Him.

Joy – God wants us to be happy all the time. He wants us to praise Him and sing happy songs to Him all the time. He wants us to be happy knowing Him, loving Him and serving Him. We need to be happy and joyful all the time, even in the bad times. He will always be there no matter and we need to be happy knowing that we will be in heaven with Him one day.

Peace – God wants us to feel calm and not to feel like we are all alone. Even things are busy around us and we feel like we won't be rest, we need to remember that we must rejoice in God, we must pray to Him and ask Him to take all our worries away and we need to pray, read the Bible and talk with God. He will always be there with us.

Patience - we need to show other people that do not know the goodness of God that we are able to be patient and wait. To wait for God when we ask for something and He doesn't give it to us straight away. We need to show other people that we know that

God knows better.

Kindness – being kind is so easy. All we need to do is say something nice, or do something nice for someone else. Jesus was the kindest man ever. He never said or did anything horrible to another person. We need to be that way too.

Reflection: God has given us the ability to be every single one of these things. We need to try harder every day. It isn't always that easy, but we need to pray and ask God to help us. We need to be more like Jesus. That is ultimately what God wants for us.

Activity Time

Cut out the fruits of the spirit we did this week and put it a piece of ribbon or string (whatever mom has at home and start to make fruit of the spirit necklace or bracelet that we can carry with us all the time to remind us of how God wants us to be.
