

# THE GIFTS OF THE HOLY SPIRIT

## Part 2

Lord , today we come to You to say thank You. Thank You for everything You have done for me. For the blessing of a warm bed, warm clothes, food and family. We think of those who do not have and ask You to provide for them. We pray that as we learn about what special talents You have given each of us, that we use them to do what You want us to do with them so that we may be a blessing to other people. Thank You for who you are. We love You, Amen.

We All Have a Spiritual Gift. These are special talents or abilities that the Holy Spirit gives us to bless others and point them to Jesus.

Last week we discussed having a special gift that comes from God and how can use those gifts to praise God and tell people about him. Today we are going to discuss Daniel. He had a special gift and how he used it to tell people about God.

## The Story of Daniel

As a young man, Daniel worked for the king. He was a very wise and clever man and the king trusted him. One night, the king had a strange dream which he did not understand. Maybe it was a message, but he couldn't understand. He asked a few of the other wise men he had working for him, but they didn't know either.

This made the king very angry.

Daniel was different to the other wise man that worked for the king. He believed in God. So when the king asked him what the dream meant, he knew that God would help to give the king the right answer.

He went home that night and he prayed to God for help. God gave him a vision that night. The vision explained the dream so that Daniel could explain it to the king. God gave him the gift of understanding. He praised God saying,

"Praise be to God! You have given me wisdom. You have made me understand the king's dream".

Daniel went back to the king and explained the dream to him. It was amazing! The king was convinced that Daniel was the wisest man in the kingdom. Daniel told the king that he is not smarter than everyone else. He told him that he had asked God for help and he gave him a vision. The king saw that there is no one greater than God! God had given Daniel a gift, and Daniel used it to help others.

**Reflection:** Daniel was a normal person like you and me. Only he believed in God and prayed all the time and asked for guidance. God helped him and the king saw for himself that God is great. We need to know that whatever gift you have been given is God and we need to use to tell people about him and heaven. We need to use our gifts to help others. We should not keep it ourselves.
