

Making Good Choices

Proverbs 3:6
 "In all your ways acknowledge Him and He shall direct your path"

Lord, thank You for all our blessings. Thank You for being there when I need You, You are always there. Thank You for family and friends. During this time, please bless and keep them safe. I miss my friends and family but I know that You will keep watching over them. Bless my church family. Please bless all the people who are ill, may You heal them and keep them safe from getting more sick. We love You Lord. In Jesus Name, Amen'.

We make choices every single day. It can start with the simplest things. We are faced with easy choices and difficult choices.

Story Time

The Bible story today comes from Genesis. It is the story of Adam and Eve and the time they spent in the Garden of Eden. They had the best life. But one day, they both made a really bad decision that changed their lives forever.

Adam and Eve (Genesis 3)

Adam and Eve lived a long time ago and they were the first people that God created. Adam and Eve lived in a beautiful paradise that God created for them. It was filled with green grass, colourful plants and wonderful trees. God told Adam that he eat any fruit from any of the trees except for one – the Tree of Knowledge. But they would never run out of fruit and there was plenty for them to eat.

God created all the animals and Adam named them all. But there was one particular animal that was very sneaky and told lies all the time. This animal was the snake. One day, this snake said to Eve, “why don’t you eat from the tree of knowledge? The fruit is delicious and it won’t harm you! God doesn’t want you to eat it because it will make you wise like Him. Take a bite!

The fruit looked so delicious that silly Eve picked some of it and offered it to Adam, and they both ate it. They suddenly realised that they were naked and tried to hide themselves away in the bushes.

When God came looking for them, he couldn’t find them. He found them hiding behind some bushes, he know that had eaten from the forbidden fruit, He was very very angry! He sent them out of the beautiful garden forever. He told them that from that moment that they

would have to work hard to make their own food and clothes. God put an angel outside the gate of the garden to make sure that they could not get back in.

Reflection: Adam and Eve made a bad choice by listening to the evil snake. They knew that God did not want them to eat of that fruit, but they allowed the snake to trick them into doing what they knew was wrong.

The snake in the story is the devil. The devil is always going to try to tell you lies and make you do the wrong thing. You need to be able to say no to him and ask God to help you make the right decisions. God knows when you are about to make a bad decision. He sees everything! He is so wise! He can see something that is going to happen before it happens. We need to pray and ask God for wisdom and understanding. We need wisdom to make good choices. God helps us choose what is wise.

We all have important decisions to make sometimes. Sometimes these choices are hard, and we need someone wiser to help us decide what to do. GOD HELPS US MAKE WISE CHOICES. Jesus had to make many hard decisions, and every single time he asked God for help. When we have hard decisions to make, we must do the same and ask God for help. God will never let us down.

God wants His people to be wise and learn from His word. God knows that making wise choices is very difficult, but everything is possible with God on our side. With God's help, we will all always be winners. EVERYTHING IS POSSIBLE WITH GOD!
