

Obedience!

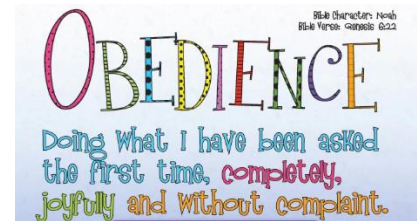

Luke 11:28 New International Version (NIV)
He replied, "Blessed rather are those who hear the word of God and obey it."

This lesson is about obedience.

When you have a relationship of willingness and loving submission to God, out of obedience to God, you will obey your parents, teachers, pastors etc. It will come naturally.

The Lord is always talking and He is always guiding you, we need to be aware of His voice and obey Him fully.

***I will instruct you and teach you in the way you should go;
I will counsel you with my loving eye on you... (Psalm 32:8)***

The motive for obedience should be to honour God!

"Obey your earthly masters in everything; and do it, not only when their eye is on you and to curry their favour, but with sincerity of heart and reverence for the Lord." (Colossians 3:22)

When you are obedient, not only to God but to all who are in authority to you (Mom, dad, Pastors, leaders, teachers etc) you will automatically receive favour from the Lord.

How are you obedient??

The word "obey" comes from the words "to listen" ...

- **Pay attention to what they have to say:** When you are given an instruction, pay attention to the person giving it to you. There is a reason they are asking you to do something so listen to what they are saying.

The Lord often will ask you or instruct you to do things too. You need to pay attention to what He is saying and what He wants from you.

For example: You drive past the same homeless person everyday on your way to school. Each time you pass the person you feel something inside saying to you that you can help that person. You are prompted to take them a loaf of bread maybe. That right there is the Lord asking you to do something.

- **Be respectful:** Sometimes being obedient is really hard. Especially if you have been asked or instructed to do something you don't really want to do. Like cleaning your room.. Always remember who has given you the instruction and that the Lord alone put them in authority. Always be polite and considerate.

Let everyone be subject to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been

established by God.. ([Romans 13:1](#))

- **Practice self-control:** We know that self-control is a fruit of the Spirit. Having self-control needs to be practiced daily for you to perfect it. When you have self-control you know that obedience not only brings rewards and favour from the Lord but you also know how to do the given task to the best of your ability. ([2 Timothy 1:7](#)) You have already been given self-control!!

Thank You Father that You are teaching us the importance of being obedient. Thank You Lord that when we are obedient we are pleasing You. Lord, help us to see when we have been disobedient and direct us so that we may hear when You and others are instructing us. Help us to be obedient. We ask this in Jesus Name.

Amen!

It's story TIME

Noah!

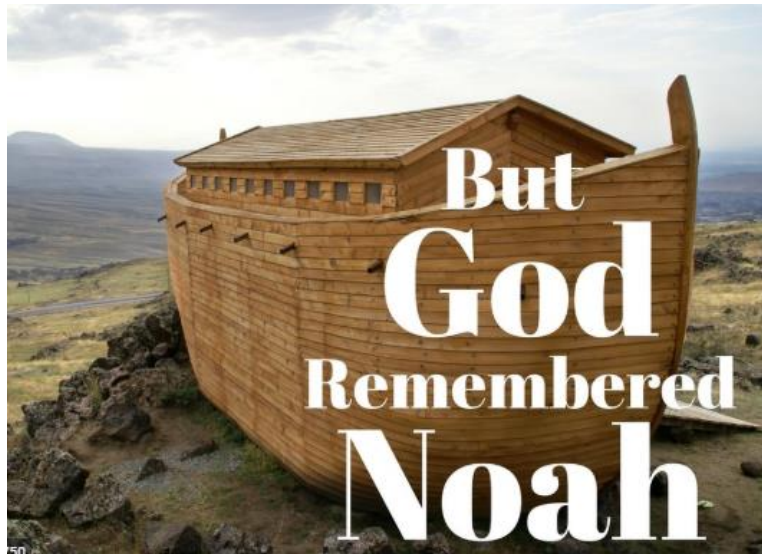

<https://www.youtube.com/watch?v=Wbfp7fzhj4Y>

In Genesis 6-9 we learn about a man called Noah and the choice he had to make to be **obedient** to God.

Noah was a godly man, he was without blame among the people of his time. The earth was full of people who did mean and hurtful things. So God told Noah that He was going to flood the earth and that Noah was to build an ark. Not just any ark, an ark that could fit in it 2 of every type of bird, animal and every living creature as well as all of Noah's family inside it too and all the food they needed to survive!

Noah had unwavering faith and godly fear to build an ark when God warned him about a flood he had not yet seen.

Thanks to Noah's obedience, members of every kind of land animal were saved, but more important, mankind was preserved so that the Saviour would be born.

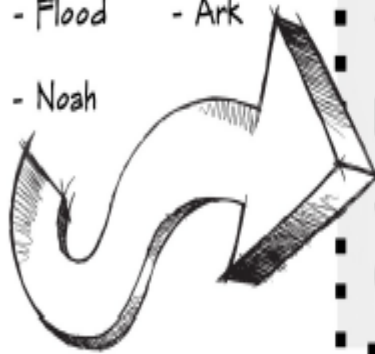

Activity Time

Please watch the link if possible.

What you need:

1. Vase or empty jar
2. 2 signs (1 = Good choice and 1 = Bad choice)
3. An arrow
4. Water

Put the 2 signs on either side of the jar, and the arrow behind the jar facing bad choice. The jar represents you. Fill the jar up with water which represents the Holy Spirit. You will see when you look through the front of the jar that by being filled with the Holy Spirit and obeying Him, He will automatically turn bad choices you would normally make into making good choices.

Remember, you are audacious, you are brave, you are bold and you are so COURAGEOUS!

YOU WERE BORN TO MAKE AN IMPACT!!
